## **Are You a Victim?**

Bay County Sheriff Guy Tunnell is asking for anyone who has had an encounter with the company Girls Gone Wild on Panama City Beach and would like to file a complaint to call either the Criminal Investigations Division of the Bay County Sheriff's Office or the Special Investigations Division.

"We have already received numerous complaints and feel there are many others out there that have had similar experiences with the Girls Gone Wild crew, but are reluctant to come forward." Sheriff Tunnell says, "I want to encourage those people to call and allow us to help you."

Please call the Bay County Sheriff's Office at 747-4700 for assistance in filing a complaint against Girls Gone Wild.
